The Kelly Osborn Memorial Scholarship Fund was started by Dave, her father, in 1996 for the purpose of granting college scholarships each year to one or more deserving students who might otherwise not be able to attend the higher educational institution of their choice. In 2016, awards over \$25,000 were made to local students to be used for their college educations. Since the fund's inception, over \$275,000 has been given to local students to further their education. We are requesting your assistance to help make 2017's event a huge success. Our goal is to raise \$50,000 this year and we are asking for your assistance toward our reaching this goal while at the same time enabling you to market your business in our major sponsor's heavily-trafficked (in excess of 7,500 people per week) facility. Unlike many other foundations, this fund has no ongoing operating/administrative expenses. All proceeds, except for out of pocket event staging costs (e.g. the golf and bowling tournaments), are deposited directly into the fund to be distributed as scholarships.
