

HD SIGNATURE GRIDS

EXTREME FUN FOR EVERYONE

Not Just Your Grandparents Game Anymore. BES X offers a wide variety of environments with animated and themed backgrounds, animated scoring grids and over 1000 animations. So much fun you may never want to leave! HD Signature Grids makes the experience personal as you can use your photo as the scoring background by loading it at the front desk or taking it from the console.

EXCITING COMPETITIVE PLAY

Where Even The Most Inexperienced Can Be A WINNER.

Classic Games: Only BES X offers a complete set of six classic variations on the traditional bowling game plus 2 new games, "Odd Duck" and "Even Better", another BES X exclusive.

Skill Games: allow bowlers to compete in a new way that is easier to follow by eliminating the complexity of computing spares and strikes from the score, while still offering a competitive challenge.

- **Poker** - try your hand at this virtual game of cards.
- **Sledgehammer** - brings the fair into the center. Ring the bell and win!

Global Games: interactive fun across the house. No skill involved, just the desire to have fun!

- **Lucky Train** - all aboard for your chance to be a winner.
- **Strike Challenge** - lets any number of lanes compete in a fun way for prizes.
- **Chance Games:** interactive fun where luck is the name of the game.
- **Lane Lotto** - modeled on popular lotto games.

EXTENDED SOCIAL REACH
